

The Episcopal Church of St. John the Baptist

Rector Transition Team

You are invited to apply to be a member of the Transition Team. The Transition Team is tasked, along with the Vestry, with finding our next clergy leader.

Qualifications

Members must be at the center of the Parish Community and regular in worship and giving to the mission and ministry of the Parish. Transition Team members need to be reliable, able to complete tasks, positive people, and good team players. The team needs to be trustworthy, able to maintain confidentiality, and desirous of a good outcome.

Time Commitment

Your choice to serve also includes a commitment to the time the work will require. Transition Team members may be called upon to help lead parish conversations or events that further the process of revealing who we are and our Christian mission. Members will be expected to attend regular meetings, to follow through on tasks in a timely manner, and to serve for the full duration of the Transition process. The Team will meet frequently throughout the process, and the Team will determine the schedule of meetings. Although we don't know how long our Transition process could take, the average Transition requires approximately 18 months to complete.
