

These names will be included in the end-of-the-year “Celebration of Giving” document for 2022, to be distributed at the Annual Parish Meeting in 2023. Please check the list and make sure that we have not left off anyone who has given their time to any of the areas below. If you think of a group we have left off or a person who has volunteered their time in an area and their name is not listed, please send that information to Mother Tracy (rector@st-john-aptos.org). If you see your name listed in an area where you did NOT volunteer in 2022, please let us know that as well.

The list should include anyone who was active in these ministries at any point in the year 2022, even those who died in 2022 or resigned or stopped volunteering with that ministry partway through the year.
